

Journey Through Western Japan

Travel page by page across western Japan — from the floating shrine of Lake Biwa to the shores of Okinawa — with 23 hand-picked, real-world landmarks brought to life in line art.

Inside this book you'll find:

- 23 detailed illustrations of real, named locations across western Japan
- Single-sided pages to prevent bleed-through
- Printed on 8.5" x 11" pages, perfect for markers, gel pens, colored pencils, or fine-tip markers
- Castles, shrines, temples, gardens, volcanoes, and coastlines from Kansai to Kyushu and Okinawa

Whether you're a seasoned colorist or picking up your first set of pencils, these designs offer a calming, mindful escape from everyday stress.
